14. [REDACTED] ADMINISTRATIVE DELIVERIES Delivered to Mike Epstein, Senate Select Committee on Intelligence staff, for the review of Bill Miller, Committee Staff Director, DDO reports on contacts with former Agency employee [REDACTED]. After Miller had reviewed the documents, the three of us met and Miller said they were quite concerned about the apparent operational use of [REDACTED] while he was the employee of a U. S. Senator without the Senator's knowledge. Miller was also concerned that the file contained material on Chile which had not been shown to the Church Committee. Miller was unsure what steps the Committee would take on this but agreed to get back to me the first of next week on this.
